)	

I, Brette L. Evans, attorney for the debtor in the above-captioned matter, declare as follows:

1. I am an attorney duly licensed to practice before this court and I am attorney of record for Brian Yu (hereinafter referred to as the “Debtor” or “Mr. Yu”).

2. On December 29, 2022, Mr. Yu filed a voluntary Chapter 13 case on behalf of himself, without the assistance of an attorney.

3. The case was filed as a skeleton proceeding as Debtor’s residence was in jeopardy of foreclosure.

4. On January 12, 2023, Mr. Yu filed a request for extension of time. His stated reason, “substantial amendments” related to the need to work through the bankruptcy documents in order to complete the complement of documents that were due.

5. The court did grant the extension and gave Mr. Yu until February 2, 2023 to file all of the remaining documents that are due.

8. I am requesting this second extension in order to complete the filing, to file the deficiency documents, the Chapter 13 plan and other documents to support the plan.

10. Debtor had difficulty finding an attorney due to the fact that time was short and the case was already filed.

11. We are requesting an extension to February 9, 2023 to file the Chapter 13 Plan and the complement of other documents including the Schedules A through J, the Statement of Financial Affairs, Form 22c and other required documents.
